By Steve Brown, 31 July 2009

**Benny 'Spooner' Strang to play his 200th Game on Sunday at Home.**

**Congratulations will be in order for Junior Club stalwart, Ben 'Spooner' Strang who notches up his 200th game**

**for the Redcliffe Tigers this Sunday against Aspley at home.**

Spooner has been one of the most loyal and reliable junior players a club could possibly wish for. He's also a player every coach wishes for. He very rarely misses training and is always the first to put his hand up for the tough jobs. Spooner played up in the U18's game against Ladder Leaders University only last Sunday and played an outstanding game at both Centre Half Forward and Centre Half Back. There's no

**doubting that Ben will make a big impact on U18's footy next year when he comes up full time.**

**You'll always see him around at all the other club games as well, either runner water, scoreboard, goal umpire, boundary umpire, you name it, he'll do it..... Well Done Spooner.... Hopefully we'll be able to come along and support you right throughout your many milestones that you'll achieve at the Redcliffe Tigers for many years to come....**
