U14's Black vs Alex Hills Match Report

By Steve Brown, 30 July 2012

Tigers show promise early

Next Sunday: Redcliffe vs Wynnum

The early start and playing home must have agreed with everyone as we continued on from last week showing great effort and discipline and were only a handfull of points down at quarter time. After the break a lack of accountability was dissapointing which resulted in some cheap goals to our opposition. Playing against bigger bodies has been the norm all year but a few big hits off the ball seemed to rattle the team which led to some heads dropping and general motivation toward our team goals suffering. Our number one rule of 'organise yourself ' also suffered with too many loose oposition players getting easy ball.

The half time break gave us time to refocus and although the endeavour returned in the second half our opposition had their tails up and never let us back in the game. There was some good passages of play with series of handballs which showed our potential but we weren't able to mount a comeback. The back line have been a settled unit all year and fought bravely until the final siren, Well done.

With only three games left it is now time for everyone to 'Play their Role' toward some good team performances which our supporters can be proud. We play two teams we have beaten before but we must get to training during the week and work on all areas of play.

Remember we don't want to 'just participate' we want to 'achieve'

Thanks

Brad / Spinksie.
