URGENT - AGM 28th November 2018 - DEFERRED

Due to unforeseen circumstances the 2018 AGM scheduled for Wednesday 28th November 2018 has been deferred.

Dear Member,

Due to unforeseen circumstances the 2018 AGM scheduled for Wednesday 28th November 2018 has been deferred.

Please stay tuned for further details on a new date and time.

We would like to express that we need the support of members and unfortunately due to lack of interest in fulfilling positions or notice of those attending the AGM, the committee felt it was in the best interest to defer the AGM.

We would like to encourage members to become involved, with your individual strength and experience this can only help the club grow. The more involvement in the committee the greater the opportunity for the club to succeed with your help.

We will be holding our normal committee meeting on Monday 3rd December at the Clubhouse starting at 6.30pm and members are welcome to attend.

Committee positions vacant are Secretary, Vice President(Club Operations), Treasurer, Football Operations and General Committee. We also require a Youth/Junior Registrar, Canteen Co-Ordinator, Uniform Co-Ordinator and other smaller roles.

The committee would like to apologise for any inconvenience this has caused.

Regards

Redcliffe Tigers AFC Committee
